There were no public comments at any of the three public hearings.

Written Comments: A period for written comments on proposed regulations was established ending September 29, 2000. Five written comments were submitted to the Commission during that comment period. Copies of the five letters are attached to this staff report.

Commission Discussion of the Submitted Comments: The Commission should review and discuss the submitted comments and give staff final direction prior to preparation of a staff recommendation for Commission action now scheduled for December 14, 2000.
